Verse 1

Well you send my life a whirling
Darling when you're twirling on the floor.
Who cares about tomorrow?
What more is tomorrow than another day?

Chorus

When you swept me away, yeah you swept me away.

Verse 2

I see the end of the rainbow
But what more is a rainbow than colors out of reach?
If you come down to my window
And I climb out my window, then we'll get out of reach.

Then you swept me away, yeah you swept me away.

Verse 3

You said with such honest feeling
But what'd you really mean when you said that I'm your man?
Well how my darling can it be
When you have never seen me and you never will again?

That you swept me away, yeah you swept me away.

Verse 4

Life is ever changing but
I will always find a constant and comfort in your love.
With your heart my soul is bound
And as we dance I know that heaven can be found

Well you send my life a whirling
Darling when you're twirling on the floor.
Who cares about tomorrow?
What more is tomorrow than another day?

When you swept me away.
