You know you're gold, you don't gotta worry none
 Oasis child, born and so wild
 Don't I know you better than the rest
 All deception, all deception from you

Your love is stag in the white sand
 Wilderness for miles, eyes so mild and wise
 Don't I know you better than the rest
 All deception, all deception from you

Any way you run, you run before us
 Black and white horse arching among us

Your love is stag in the white sand
 Oasis child born into a man
 Don't I know you better than the rest
 All deception, all deception from you

Wilderness for miles, eyes so mild and wise
 Oasis child, born and so wild
 Don't I know you better than the rest
 All deception, all deception from you

Any way you run, you run before us
 Black and white horse arching among us
