## Bridge (4/4)

Bridge (4/4) guitar tablature showing chords C, G, C, D. The second measure includes a 3-3 4-5 fingering on the low E string.

### Verse 1

I'm looking through you, where did you go?  
 I thought I knew you, what did I know?  
 You don't look different, but you have changed  
 I'm looking through you, you're not the same

### Verse 2

Your lips are moving, I cannot hear  
 Your voice is soothing, but the words aren't clear  
 You don't sound different, I've learned the game  
 I'm looking through you, you're not the same

### Bridge

Why, tell me why, did you not treat me right?  
 Love has a nasty habit of disappearing overnight

### Verse 3

You're thinking of me, the same old way  
 You were above me, but not today  
 The only difference is you're down there  
 I'm looking through you, and you're nowhere

### Bridge

### Verse 1 Repeat

### Outro (loop the quick G&C chords)

Yeah  
 Oh baby I'm changed  
 Ah I'm looking through you  
 Yeah I'm looking through you
