Chorus

A guitar chord diagram for the Chorus. The strings are labeled E, B, G, D, A, E from top to bottom. The diagram shows four measures with the following chords: D, A, F#-, and A.

Verse 1

Put your hands on the wheel
Let the golden age begin
Let the window down
Feel the moonlight on your skin
Let the desert wind
Cool your aching head
Let the weight of the world
Drift away instead

Chorus

Oh, these days I barely get by
I don't even try

Verse 2

It's a treacherous road
With a desolated view
There's distant lights
But here they're far and few
And the sun don't shine
Even when its day
You gotta drive all night
Just to feel like you're ok

Chorus

Oh, these days I barely get by
I don't even try.
I don't even try.
