Verse 1

Strange and beautiful are the stars tonight
 That dance around your head
 In your eyes I see that perfect world
 I hope that doesn't sound too weird
 And I want all the world to know
 That your love's all I need
 All that I need

Chorus

And if we're lost, then we are lost together
 Yea if we're lost, then we are lost together

Verse 2

I stand before this faceless crowd
 And I wonder why I bother
 So much control by so few
 Stumbling from one disaster to another
 I've heard it all so many times before
 It's all a dream to me now
 A dream to me now

Chorus

Verse 3

In the silence of this whispered night
 I listen only to your breath
 And that second of a shooting star
 Somehow it all make sense
 And I want all the world to know
 That your love's all I need
 All that I need

Chorus (x4)

Together, together
