Verse 1

They say everything can be replaced
They say every distance is not near
So I remember every face
Of every man who put me here

Chorus

I see my light come shining
From the west unto the east
Any day now, any day now
I shall be released

Verse 2

They say every man must need protection
They say every man must fall
Yet I swear I see my reflection
Some place so high above the wall

Chorus

Verse 3

Down here next to me in this lonely crowd
Is a man who swears he's not to blame
All day long I hear him cry so loud
Calling out that he's been framed

Chorus
