Verse 1 & 2

This my escalation and to... day is kumran
 Everything that happens is from now on
 This is pouring rain, this is paralyzed.

I keep throwing down two... hundred at a time
 It's hard to find it when you knew it
 When your money's gone, and you're drunk as hell.

Chorus

On your back with your racks as the stacks are your load
 In the back the racks and the stacks of your load
 In the back with your racks and you're un-stacking your load

Verse 3 & 4

I've been twisting to the sun and the moon
 I needed to replace
 The fountain in the front yard is rusted out
 All my love was down in a frozen ground

There's a black crow sitting across from me
 His wiry legs are crossed
 He is dangling my keys, he even fakes a toss
 Whatever could it be that has brought me to this loss?

Chorus

Verse 5

This is not the sound of a new man or crispy realization
 It's the sound of the unlocking and the lift away
 Your love will be safe with me.
