Verse 1

Well you're my friend (it's hard you told me-e-e-e)
 And can you see (what's inside of me-e-e-e)
 Many times we've been out drinking
 Many times we've shared our thoughts
 But did you ever, ever notice
 The kind of thoughts I got

Well I know I have a love, a love for everyone I know
 And I know I have a drive to live I won't let go
 Can you see its opposition comes rising up sometimes
 And its dreadful antiposition
 comes blacking in my mind

Chorus

And then I see a darkness (x4)
 Did you know how much I love you
 Is a hope that somehow you
 Can save me from this darkness?

Well I hope that someday, buddy
 We have peace in our lives
 Together or apart, alone or with our wives
 We can stop our whoring
 And hold a smile inside
 And light it up forever
 And never go to sleep
 My best unbeaten brother,
 This isn't all I see.

Chorus

Oh no I see a darkness (x4)
 Did you know how much I love you
 Is a hope that somehow you-you
 Can save me from this darkness?
