## Verse 1

In my dream my love was lost, I lived by luck and faith  
I carried you inside of me, prayin' it wouldn't be too late  
Now I'm standin' on this empty road  
Where nothin' moves but the wind  
And honey I just wanna be

## Chorus (x2)

Back in your arms, back in your arms again (x2)

## Verse 2

O, Once I was your treasure  
And I saw your face in every star  
But these promises we make at night, Oh that's all they are  
Unless we fill them with faith and love  
They're empty as the howling wind  
And honey I just wanna be

## Chorus (x3)

## Bridge

You came to me with loving kindness  
But all my life I've been  
a prisoner of my own blindness.  
I met you with indifference  
I don't know why

## Verse 3

Now I wake from my dream  
I wake from my dream to this world  
Where all is shadow and darkness  
And above me a dark sky unfurls  
And all this love I've thrown away and lost  
I'm longing for again  
Now darrrrrlin I just wanna be

## Chorus
