I get up in the evening, and I ain't got nothing to say  
I come home in the morning, I go to bed feeling the same way  
I ain't nothing but tired, man I'm just tired and bored with myself  
Hey there baby, I could use just a little help

## Chorus

You can't start a fire, you can't start a fire without a spark  
This gun's for hire, even if we're just dancing in the dark

Message keeps getting clearer  
Radio's on and I'm moving 'round the place  
I check my look in the mirror  
I want to change my clothes, my hair, my face  
Man I ain't getting nowhere,  
I'm just living in a dump like this.  
There's something happening somewhere  
Baby I just know that there is.

## Chorus

## Bridge

You sit around getting older  
There's a joke here somewhere and it's on me  
I'll shake this world off my shoulders  
Come on baby this laugh's on me

Stay on the streets of this town  
And they'll be carving you up all right  
They say you gotta stay hungry  
Hey baby I'm just about starving tonight  
I'm dying for some action  
I'm sick of sitting 'round here trying to write this book  
I need a love reaction, come on baby give me just one look

Chorus (sitting 'round crying over a broken heart)

Chorus (worrying about your little world falling apart)

(G/E) Even if we're just dancing in the dark (x3)
