

# Bruce Springsteen – One Step Up

Capot 3.

## Verse A

## Verse B

## End verse ("same sad story") (play twice)

## Rock-Out Verse

### Verse 1

Woke up this morning the house was cold  
 Checked the furnace she wasn't burning  
 Went out and hopped in my old Ford  
 Hit the engine buddy she ain't turnin'  
 Givin' each other some hard lessons lately  
 We ain't learnin'  
 It's the same sad story, that's a fact  
 One step up and two steps back

### Verse 2

Bird on a wire above my motel room  
 He ain't singin'  
 Girl in white outside a church in June  
 But the churchbells ain't ringin'  
 Sittin' here in this bar tonight  
 And all I'm thinkin' is  
 I'm the same old story, same old act  
 One step up and two steps back

### Rock-out Verse

It's the same thing night on night  
 Who's wrong, baby who's right  
 Another fight and I slam the door on  
 Another battle in our dirty little war  
 When I look at myself I don't see  
 The man I wanted to be  
 Somewhere 'long the line I slipped off track  
 One step up and two steps back.

### Verse 3

There's a girl across the bar  
 I get the message she's sendin'  
 Hmmm she ain't lookin' too married and  
 Me honey I'm pretendin'  
 Last night I dreamed I held you in my arms  
 The music was never endin'  
 We danced as the evening sky faded to black  
 One step up and two steps back
