Verse 1

I met a girl and we ran away
 I swore I'd make her happy every day
 And how I made her cry
 Two faces have I.

Verse 2

Sometimes mister I feel sunny and wild
 Oh Lord I love to see my baby smile
 Then dark clouds come rollin by
 Two faces have I.

Bridge A

One that laughs, one that cries
 One says hello, one says goodbye
 One does things I don't understand
 Makes me feel like half a man.

Verse 3

At night I get down on my knees and pray
 Our love will make that other man go away
 but he'll never say goodbye
 Two faces have I.

Bridge B (instrumental)

Verse 4

Last night as I kissed you 'neath the willow tree
 He swore he'd take your love away from me
 He said our life was just a lie
 and two faces have I.
 Well go ahead and let him try.
