Verse 1

I don't wanna be no patch on no quilt (I just want to see)
Tear-stained stitching linkin' memories to guilt (IJWTS)
I don't wanna be no head on no wall (IJWTS)
Blood-stained note saying fuck you all
I just want to see what kills me

Chorus 1

Tommy, are you ready? We better head to town.
J.D.'s box is waiting to be lowered down,
and you know how he hates to be kept waiting 'round.

Verse 2

I don't wanna be no chalk line drawing (IJWTS)
Toe-tagged question mark until identifying (IJWTS)
I don't want to fuse with no economy seat (IJWTS)
Fuel some fireball at 30,000 feet
I just want to see what kills me

Chorus 2

Tommy, did you catch his face before they closed the lid
I swear I saw him wink once, and flash me that old grin
Well you know that would be just like him.

Guitar Solo

Verse 3

I don't want to face no hollow-eyed ending (IJWTS)
Loved ones buried, empty days of waiting
I just want to see what kills me.

Chorus 3

Tommy, darling, come to bed
We'll sleep away this sadness
These memories too are bound to die
so our dreams will have to serve us
Tomorrow may be the day that our love betrays us.
