Verse B

Verse 1

Oh gracious love, you were so kind to me
You only broke my heart, let my arms and legs stay strong
So I could swim upon the open sea
Searching for another love, floating along aimlessly

Chorus 1

Oh, where are you love? Tell me where are you love?
I will wait for you another night, 'cause I know you won't leave me behind
Oh, where are you love?

Verse 2

I had someone, a love I thought was true
But sometimes you just get tired and you must try not to die
And give your love, though no one may receive
You must build a giant fire for the whole wide world to see

Chorus 2

Oh, where are you love? Tell me where have you gone?
I shall wait for you another night, and you know I won't leave you behind
Oh, where are you love?

Verse 3

So thank you love, you were so good to me
You put hope into my heart, shined a light so I could see
Those wicked things, the wicked things you do
Well, I pay them no mind, 'cause I know you'll be back in time

Chorus 3

Oh, where are you love?, tell me where are you love
I shall wait for you just one more night, 'cause I know you won't leave me behind
Oh, where are you love?

Tell me where are you love...
