

Death Cab – Lightness

Intro 1

Chorus

Chorus Ending

Verse 1

There's a tear in the fabric of your favourite dress
And I'm sneaking glances.
Looking for the patterns in static
They start to make sense the longer I'm at it.

Ivory lines lead, Oh a-ho, oh-ah-ho

Your heart is a river that flows from your chest
Through every organ
Your brain is the dam
And I am the fish who can't reach the core.

Ivory lines lead
Oo wha-ho, oo wha-ho

Chorus

Oh, instincts are misleading
You shouldn't think what you're feeling
They don't tell you what you know you should want.

Ivory lines lead
Oo wha-ho, oo wha-ho
[x2]

Verse 3 (Homemade)

I'm straining to listen
To words on your lips
That tell me "come over".
Let's break up the silence
'cause your voice never speaks
with all things in order.
