

Death Cab – Soul Meets Body

Option: Capot 022222, set back to allow index finger on 6th string 2nd fret. This offers low root of D chord but places chorus out of range.

Verse 1

I want to live where soul meets body
 And let the sun wrap its arms around me
 And bathe my skin in water cool and cleansing
 And feel, feel what it's like to be new
 Cause in my head there's a greyhound station
 Where I send my thoughts to far off destinations
 So they may have a chance of finding a place
 where they're far more suited than here

Chorus (wordless melody)

Verse 3

I cannot guess what we'll discover
 we turn the dirt with our palms cupped like shovels
 But I know our filthy hands can wash one another's
 And not one speck will remain

Chorus

I do believe it's true
 That there are roads left in both of our shoes
 If the silence takes you then I hope it takes me too
 So brown eyes I hold you near
 Cause you're the only song I want to hear
 A melody softly soaring through my atmosphere

Bridge Where soul meets body (x3) (E- / G+)

Chorus

A melody softly soaring through my atmosphere (x3)
