Verse 1 - A

Asked you a question
I didn't need you to reply
"Is it getting' heavy?"
But then I realized

Verse 1 - B

That it's getting' heavy
Well I thought it was already as heavy as can be.

Verse 2

Is it overwhelming
To use a crane to crush a fly
It's a good time for Superman
To lift the sun into the sky
'Cause it's getting' heavy
Well I thought it was already as heavy as can be.

Chorus

Tell everybody waiting for Superman
That they should try to hold on the best they can
He hasn't dropped them, forgot them, or anything
It's just too heavy for Superman to lift.

Verse 3 – A (Instrumental)

Verse 3 - B

Is it getting' heavy?
Well I thought it was already as heavy as can be.

Chorus
