### Intro

### Verse 1

I've had it with this town  
I never saw those shifting skies  
I never saw the ground  
Or a sun set and rise  
I wanna live on an abstract plain.

### Verse 2

I'm building a frame  
A place to put my ten-yard stare  
Thinkin' of that paint  
Painted in plein-air  
I wanna live on an abstract plane

### Bridge

I need a new address, I want some new terrain.  
Is it North or South?  
I wanna live on an abstract plane.

### Verse 3

I can sit on the loo  
On top of that abstract house  
See my abstract youth  
An abstract mouse  
I wanna live on an abstract plain.

### Instrumental Verse

### Bridge

I need a new address, tell me I'm not insane.  
Is it up or down?  
I wanna live on an abstract plain
