A diagram showing the chord shapes for the Chorus section on a six-string guitar. The strings are labeled E, B, G, D, A, E from top to bottom. The chords are: F, G, A-, A-, F, G, C,B, and A,G.

Verse 1

Talk to me softly, there's something in your eyes
 Don't hang your head in sorrow, and please don't cry
 I know how you feel inside I, I've been there before
 Something is changin' inside you, and don't you know

Chorus

Don't you cry tonight, I still love you baby
 Don't you cry tonight
 Don't you cry tonight, there's a heaven above you baby.
 And don't you cry tonight.

Verse 2

Give me a whisper, and give me a sigh
 Give me a kiss before you tell me goodbye
 Don't you take it so hard now
 And please don't take it so bad
 I'll still be thinkin' of you,
 and the times we had...baby

Chorus

Verse 3

And please remember that I never lied
 And please remember how I felt inside now honey
 You gotta make it your own way,
 But you'll be all right now sugar
 You'll feel better tomorrow
 Come the morning light now baby

And don't you cry tonight (x3)
 There's a heaven above you baby
 And don't you cry, don't you ever cry,
 Don't you cry tonight, Baby maybe someday
 Don't you cry, Don't you ever cry-y-y-y, Don't you cry...
 Tonight!
