**Verse 1**

Thinking about tomorrow  
 Wasting every day  
 I know that I can't stay anyway.

**Chorus**

Just have to touch me and you will know.  
 And you will know  
 And you will know  
 And you will know.

**Verse 1**

Sounding unconvincing  
 Wishing I was right  
 Finding out on my own and in time

**Chorus**

**Bridge**

**Verse 1 Again**

**Chorus**
