Verse 1 (C/E-)

A boy with a coin he found in the weeds
With bullets and pages of trade magazines
Close to a car that flipped on the turn
When God left the ground to circle the world

Chorus

Hey ay ay ay , ah ah ah ah ah.

Verse 2

A girl with a bird she found in the snow
Then flew up her gown and that's how she
knows
If God made her eyes for crying at birth
Then left the ground to circle the earth

Chorus

Verse 3

A boy with a coin he crammed in his jeans
Then making a wish he tossed in the sea
Walked to a town that all of us burn
When God left the ground to circle the world
