## Verse 1

One night to be confused, one night to speed up truth.  
We had a promise made. Four hands and then away.  
Both under influence, we had divine scent  
To know what to say, mind is a razor blade.

## Chorus

To call for hands above to lean on  
Wouldn't be good enough for me, no

## Verse 2

One night of magic rush, the start a simple touch  
One night to push and scream, and then relief.  
Ten days of perfect tunes, the colors red and blue  
We had a promise made. We were in love.

## Chorus (x2, no "for me" at end)

## Bridge

And you, you knew the hand of the devil  
And you, kept us awake with wolf teeth  
Sharing different heartbeats  
In one night

## Chorus (x2, no "for me" at end)
