

Leonard Cohen – So Long, Marianne

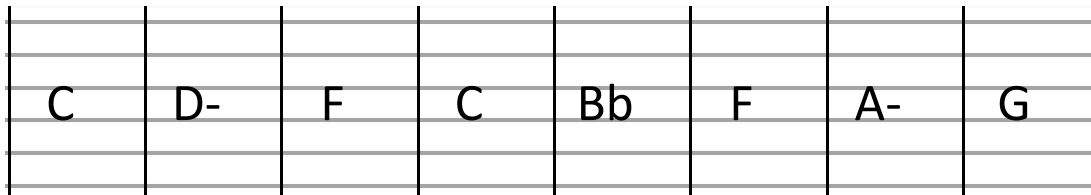

Verse

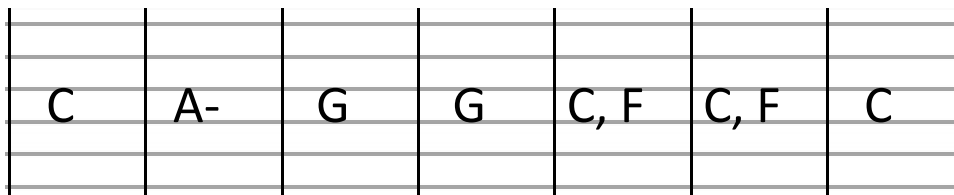

Chorus

Verse (alternate key)

Chorus (alternate key)

Verse 1

Come over to the window, my little darling
I'd like to try and read your palm
I used to think I was some kind of gypsy boy
Before I let you take me home

Chorus

So long, Marianne
It's time that we began
to laugh & cry & cry & laugh about it all again

Verse 2

Well you know that I love to live with you
But you make me forget so very much
I forget to pray for the angels
and then the angels forget to pray for us

Chorus

Verse 3

We met when we were almost young
Deep in the green lilac park
You held onto me like I was a crucifix
As we went wheeling through the dark

Chorus

Your letters they all say that you're beside me now
Then why do I feel alone?
I'm standing on a ledge and your fine spiderweb
is fastening my ankle to a stone

Chorus

For now I need your hidden love
I'm cold as a new razor blade
You laughed when I told you I was curious
I never said that I was brave

Chorus

You know, you are really such a pretty one
I see you've gone and changed your name again
And just when I climbed this whole mountainside
To wash my eyelids in the rain
