Verse 1

I am the blank page before you
I am the fine idea you crave
I live and breathe under the moon
And if you cross the bridge I'll come find you

Chorus

Stay awake with me
You know I can't just let you be
Stay awake with me
Take your hands and come and find me

Intro part

Verse 2

I don't have a skin like you do
To keep it all in like you do
I don't have a soul like youuu do
The only one I have is the one I stole from you

Chorus

Stay awake with me
You know I can't just let you be
Stay awake with me
Take your hands and come and find me

Chorus
