I don't know why you won't leave me alone  
 Keep your mind off of me  
 And keep your fingers away from the phone

Because... I won't return your kiss  
 And sometimes ignorance is bliss  
 Oh, I can't handle this

It's all right for you: it doesn't make you an asshole.  
 It's all right for me, my life circles around it though.

And I shouldn't close your eyes  
 And kiss each one a thousand times  
 Yeah, if my heart lies

I was standing minding my own  
 Business, when you came up and  
 Decided you'd mind it for me  
 With a short list of small demands  
 And a five gallon pail of sinking sand  
 That you assured me I could take or leave

But it never seems to work that way  
 It seems there's always so much more to say  
 And it's always somewhere in between  
 True or not it's a four o'clock stop

Before I die (x6), I would like to see you smile

My heart is dressed in black  
 And her heart is dressed in green  
 'Cause you're beautiful in blue  
 And every other colour in between, but:

Rainbows are for skies  
 Hesitation's for sad regretful eyes  
 And long goodbyes
