## Verse 1

I don't know where I'm goin', I don't know where you are tonight  
 I don't know what I'm doin', and I ain't feelin' all too bright  
 But I'm hangin' around, I'm hangin' around  
 You're hangin' up the phone again, I'm hanging up this town, 'cause...

## Chorus

I want you and I need you and  
 I need it now (I'm bleedin' now)  
 Bleed a little while tonight  
 Yeah I'll bleed a little while tonight.

## Verse 2

I don't know much about you  
 Not more than a smile or two can say  
 And everything I've learned about you  
 I've learned through the pit of my stomach anyway  
 And I'd forget about you if I could dare but  
 I just want to make love to you  
 in some dark, rainy street somewhere 'cause

## Chorus

## Bridge

Well I will hold this coin that  
 Reminds me of the time when  
 You nearly kissed me blind on Bathurst street at two  
 But if you turn me down, I'll spin this coin around  
 And give it back to you, it's something I can't explain  
 Yeah if it's all the same to you

## Bridge B

Damn, damn the circumstance  
 Well, my heart is aching  
 And my room is spinning  
 It's grey without you in it  
 My bad luck's just beginning  
 Don't let me bleed again tonight

## Verse 3

My mistakes are taunting me  
 And I'm hanging around in my old haunts  
 And I remember you telling me  
 that Alex never gets what she wants  
 But you've got someone and it ain't me  
 I've got myself again but I just can't let this be 'cause

## Chorus
