## Verse 1 & 2

Look at you you're just as blind  
 Trying to grab your little piece of mind  
 And you want to hold it near  
 But you know you can't keep it  
 Say a little should suffice  
 But more than a little of you is so nice  
 And you give me what I want

## Chorus

Not when I need it (not when I need it)  
 Not when I need it (not when I need it)  
 Well I find it all the time  
 But Not when I need it

## Verse 3

No two days are quite the same  
 I look at me life I really can't complain  
 And you come so easily

## Chorus

## Bridge

The feeling's getting out of hand  
 But I can't have you on demand  
 I can hang onto a dream  
 But I can't hold it

## Verse 4

Late at night I'm filled with fear  
 That I can't take for granted that you'll  
 Always be near  
 And it makes me hate myself

## Chorus

To think I can't see it, not when I need it  
 Well I find it all the time, not when I need it  
 Well I find it all the time, not when I need it.
