## Verse 1

You can burn your paper fingers in the ashtray  
 Place your swollen lips on mine  
 You can shave your heavy head in my carpeted hallway  
 Sure for the first time you're wearing the right clothes

## Chorus

Now take them off  
 Meet me on the band room rug  
 Tie my right hand to the ride

## Verse 2

You can take a live wire into the bath with you  
 For a feeling you can't find  
 You can entertain your childhood friends with a tour of  
 the bedroom  
 Laugh to erase the dirt on your mind

## Chorus

Oh let's move out  
 Meet me at the motel  
 Tie my right hand to the bible

## Bridge/Chorus

Too little too late but we can't say no  
 It's too much to feel  
 Tie my right hand to the bible
