And oh, the way she moves, always on the run.
And to look into her eyes will make a fool of anyone

She talks softly sees, through me says, something I...
Can't hear it, but I won't forget the way she flies.

And find meaning in a word, in a moment of rare grace.

Chorus

Chorus 2

Talk softly walk, slowly take, nothing I...
Can't hear it, but I won't forget the way she flies.
