

Neil Young – After the Gold Rush

Capot 5.

Verse A

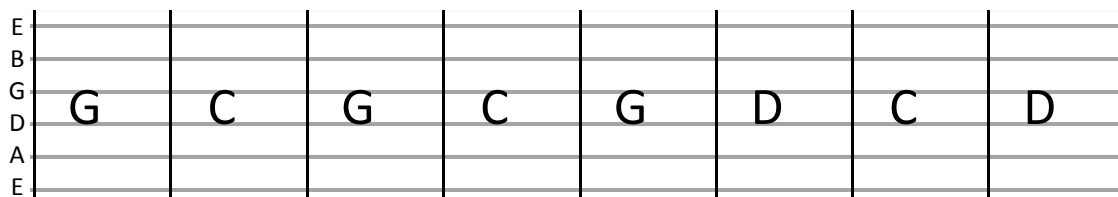

Verse B

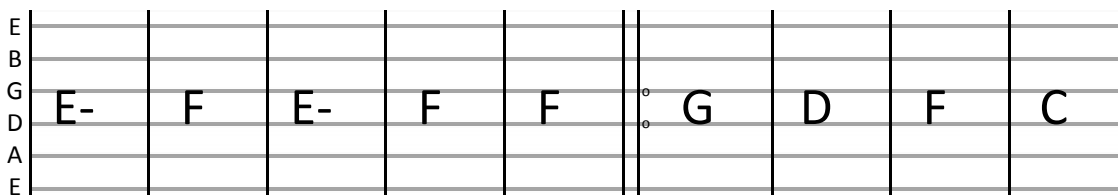

Verse A

No capot.

Verse B

Verse 1

Well, I dreamed I saw the knights in armour coming
Saying something about a queen
There were children singing and drummers drumming
The archer split the tree
There was a fanfare blowing to the sun
That floated on the breeze.
We got mother nature on the run
In the twenty-first century.
Look at mother nature on the run
In the twenty-first century.

Verse 2

I was lying in a burnt out basement
With the full moon in my eye
I was hoping for a replacement
When the sun burst through the sky

There was a band playing in my head
And I felt like getting high.
I was thinking about what a friend had said,
And hoping it was a lie.
Thinking about what a friend had said,
I was hoping it was a lie.

Verse 3

Well, I dreamed I saw the silver spaceships flying
In the yellow haze of the sun
There were children crying and colors flying
All around the chosen ones
All in a dream, all in a dream the loading had begun
We were flying mother nature's silver seed
To a new home in the sun.
Flying mother nature's silver seed
To a new home.
