Verse 1

Think I'll go out to Alberta,
weather's good there in the fall.
I got some friends that I could go working for
Still I wish you'd change your mind,
If I asked you one more time.
But we've been through this a hundred times or more.

Chorus

Four strong winds that blow lonely
seven seas that run high
All those things that don't change, come what may
If the good times are all gone,
then I'm bound for moving on
I'll look for you if I'm ever back this way.

Verse 2

If I get there before the snow flies,
and things are looking good
You could meet me if I sent you down the fare.
But by then it would be winter,
not too much for you to do
And those winds sure can blow cold way out there.

Chorus

Still I wish you'd change your mind,
If I asked you one more time
But we've been through that a hundred times or more.

Chorus

I'll look for you if I ever pass this way.
