## Verse 1

Once I thought I saw you in a crowded hazy bar,  
Dancing on the light from star to star.  
Far across the moonbeam, I know that's who you are,  
I saw your brown eyes turning once to fire.

## Chorus

You are like a hurricane  
There's calm in your eye.  
And I'm gettin' blown away  
To somewhere safer where the feeling stays.  
I want to love you but I'm getting blown away.

## Verse 2

I am just a dreamer, but you are just a dream.  
You could have been anyone to me.  
Before that moment you touched my lips  
That perfect feeling when time just slips  
Away between us on our foggy trip.

## Chorus

## Verse 3

You are just a dreamer, and I am just a dream.
