### Verse 1

I waited for you winterlong  
You seem to be where I belong  
It's all illusion anyway

### Verse 2

If things should ever turn out wrong  
And all the love we have is gone  
It won't be easy on that day

### Pre-Chorus

Waiting to follow  
Through the dream light of your way  
Is not so easy for me now

### Chorus

Half the time has passed away  
Things we thought of yesterday  
Come back now, come back now

### (Instrumental Break)

### Pre-chorus

Waiting to follow  
Through the dream light of your way  
Is not so easy for me now

### Chorus

After time has passed your way  
Things we thought of yesterday  
Come back now, come back now

### Outro

I waited for you winterlong  
(You seem to be where I belong)  
I waited for you winterlong  
(You seem to be where I belong)  
I waited for you winterlong
