### Verse 1 & 2

I thought it was understood  
I'm going out into the woods to see what's left of me.

And all these wolves shoot hungry looks  
Like crowded streets of vampire teeth in the city.

## Bridge (instrumental)

### Verse 3 & 4

The garden grows as if she knows  
When air gets thin, let no one in  
She knows that nothing grows.

And I foresee some changing  
With battered hearts recovering  
The woods have never been so full.

## Bridge (instrumental)

### Vocal bridge (repeat twice)

And I go outside  
To see familiar lives  
Race through to finish lines then start again  
Come on!

Come on! (x3)  
(into verse) Come on!

## Outro (same as intro)
