Verse 1

Listen close the beat is fading,
Fast into chests with arms colliding,
Under wraps my arms wrap tightly,
Around this it's so exciting.

Chorus

Cause I ain't fit for this lying,
Give me time, the sea will split,
And give way to this morning,
Where we lovers are sinking,
In the thunder of last evening.

Interlude

oo-oo oo-oo, oo-oo oo-oo.

Verse 2

The moon falls in lines of silver,
Reflected light on the still water,
Bring me life in a million colors,
Bring me love like no other.
