Intro

Can you treat it like an oil well,
 When it's underground, out of sight?
 And if the sight is just a whore sign
 Can it make enough sense to me?

Pretend the table is a trust knot,
 We'll put our labels down, faith is down
 I'll watch the yarn and twine unravel
 And you'll never get it back.

It's what I want (it's what I want)
 It's what I want (twine comes down)
 It's what I want (it's what I want)
 don't you know I could make her try, make her try,
 make her dry, make her dry?

I've been crowned, the king of it
 and it is all we have so wait
 to hear my words and they're diamond sharp
 I could open it up and it's up and down
 Oowoo oowoo oo oo oo.

It's what I want (it's what I want)
 I'll see you beg like a little dog (ball and twine)
 Don't you know that it's what I want (it's what I want)
 I'll see you beg and it makes you try, make me try,
 make me try, make me try

I've been crowned, the king of it
 Is all we have I've been down
 And I couldn't wait to hear the words
 They're diamond sharp today.
 Oowoo oowoo oo oo oo.
