Verse (Instrumental)

Chorus (Instrumental)

Verse 1

Breathe, breathe in the air
Don't be afraid to care
Leave but don't leave me
Look around and choose your own ground

Chorus 1

For long you live and high you fly
And smiles you'll give and tears you'll cry
And all you touch and all you see
Is all your life will ever be

Verse 2 & Chorus 2

Run, rabbit, run
Dig that hole, forget the sun,
And when at last the work is done
Don't sit down, it's time to dig another one
For long you live and high you fly
But only if you ride the tide
And balanced on the biggest wave
You race toward an early grave.

Verse 3 (Coda) & Chorus 3

Home, home again
I like to be here when I can
When I come home cold and tired
It's good to warm my bones beside the fire.
Far away across the field
The tolling of the iron bell
Draws the faithful to their knees
To hear the softly spoken magic spell.
