Verse 1

This could be the saddest dusk I've ever seen
Turned to a miracle, high alive
My mind is racing as it always will.
My hand is tired, my heart aches, I'm half a world away
Here in my head, sworn:

Chorus 1

To go it alone, hold it alone, haul it along and hold it
Go it alone, haul it along, hold.

Verse 2

Oh the lonely deeps sit hollow
I'm half a world, I'm half a world away
My shoes are gone and life spent.
I had too much to drink, I didn't think, I didn't think of you
I guess that's all I needed

Chorus 2

To go it alone, hold it alone, haul it along and hold it
Blackbirds, backwards, forwards and fall , hold.

Verse 3

Oh, this lonely world is wasted
Pathetic eyes high alive
Blind to the tide that turns the sea
The storm it came up strong, it shook the trees and blew away our fear.
I couldn't even hear

Chorus 3

To go it alone, hold it alone, haul it along and hold it
To go it alone, and hold it alone, hold
To go it alone, hold it alone, haul it along and hold it
Blackbirds, backwards, forwards and fall
Hold

Verse 1 recap: "here in my head" replaced by "go".
