

Radiohead – Subterranean Homesick Alien *Capot 022222.*

Intro

Verse

Bass flourish (EAD strings) and tenor flourish (GBE strings)

Chorus

Soprano flourish (advanced)

Verse 1

The breath of the morning, I keep forgetting
 The smell of the warm summer rain.
 I live in a town where you can't smell a thing
 You watch your feet for cracks in the pavement.

High up above, aliens hover
 Makin' home movies for the folks back home
 Of all these weird creatures who lock up their spirits
 Put holes in themselves, and live (look) for the secret

Alto flourish (at beginning)

Chorus

And they're uptight, uptight

Verse 2

I wish that they'd swoop down
 In a country lane
 Late at night when I'm drivin'
 Take me on board their beautiful ship
 Show me the worlds I'd love to see it.

I'd tell all my friends but they'd never believe me
 They'd think that I'd finally lost it completely
 I'd show them the stars, and the meteorites
 They'd shut me away, but I'd be all right
 All right, All right.

Chorus

I'm just untied, untied
