Verse 1

The sun as the wind blows, from across the great divide
 Forces trapped in yearning, memories trapped in time.
 The night is my companion, the solitude my guide
 Would I spend forever here, and not be satisfied?

Chorus

And I would be the one to hold you down
 kiss you so hard, I'll take your breath away.
 and after I'd wipe away the tears.
 Just close your eyes dear.

Verse 2

Through this world I stumble
 so many times betrayed
 trying to find an honest word to find
 the truth enslaved
 you speak to me in riddles and you speak to me in rhyme
 my body aches to breathe your breath
 your words keep me alive

Chorus

Verse 3

Into this night I wander
 It's morning that I dread
 another day unknowing of
 the path I fear to tread
 into the sea of waking dreams
 I follow without pride
 'cause nothing stands between us here
 And I won't be denied

Chorus
