Verse 1

Of these times, it's well we make the most
Boredom fabricated, words are flowing down each others'
throats
and I'm so excited,
Happily divided.

Chorus (x2)

Verse 2

Smashing all my windows,
Rocks falling in the yard.
Pretending that you're bigger than you really are,
Pretending you're bigger than you really are.

Chorus (x4)

Happily divided

Verse 3

Yeah you're big, only when your numbers grow.
All dressed up with nowhere to go.
So excited
Happily divided.
