### Verse 1

It all seemed to happen so fast  
Will you ever believe the way he passed away  
I saw his widow speak on her fortune  
She was feelin' pretty apathetic

### Chorus

Coax me, cajole me  
Coax me, cajole me

### Verse 2

If I drink concentrated O.J.  
Can I think Consolidated's OK?  
It's not the band I hate, it's their fans  
Three cans of water provokes me

### Chorus

Coax me, cajole me  
Coax me, cajole me  
Coax me, cajole me

### Bridge

And after he died  
By rights she'd have cried  
I gave mine away  
I'm giving mine away

### Verse 3

I saw a widow's peak on her forehead  
It was four lines and sinkers

### Chorus

Coax me, cajole me  
Coax me, cajole me, yeah  
Coax me, cajole me-e...
