### Verse 1

*[Man]:* So I say steal away. Sleep, close my eyes  
An image of your face traced in white sand.  
Underneath, undefined, I lay down.  
With arms outstretched I embrace the fall.  
And all the time I tried to let you know  
Discomfort comes clearly

*[Man]:* Although you hit me hard I come back  
The earth cries and I call  
On the inside

Running behind. Which one will I face?  
Run behind. Which one will I...

### Chorus journey

Woh [5x]  
Sometimes you see right through me

### Verse 2 (Angel)

*[Angel]:* Thin comfort in what I say  
My back is turned  
I halo my soul for a while  
And all the time I tried to let you know  
Discomfort comes clearly  
When I shout

*[Angel]:* Words, words  
You're married to that, you're married to that  
You're married to your pain
