## Verse

The days were golden we were known to be  
 We won't escape this memory forward on to the place we sail  
 And I want to believe  
 when you raise an iron hand  
 In this place without a song for all,  
 the words just crawl.

## Bridge ("Glimmering" = A, "everything" = B ♭)

Glimmering and everything another skull  
 You said it was dangerous  
 Found out the place where you're going  
 Follow me, on down the path,  
 I take your hopes, I promise you this  
 A dying world but gold, shimmering gold

## Chorus

Come on now tell me the story  
 Only laughing about our gilded wasteland devoured  
 Torn into pieces, come on & shine  
 Small things ever  
 calling out your name, you hear  
 some of the time unchained, alive  
 A world undefined.

## Verse

And you want to be free. when you raise an open hand  
 This place without a wall, the words just grow
