Every breath you take and every move you make
 Every bond you break, every step you take

 Every game you play, every night you stay
 I'll be watching you. **(G)**

Verse B

Oh, can't you see you belong to me
 How my poor heart aches with every step you take

Verse 3 A

Every move you make, every vow you break
 Every smile you fake, every claim you stake, I'll be watching you **(E)**

Bridge

Since you've gone I've been lost without a trace, I dream at night, I can only see your face.
 I look around but it's you I can't replace, I feel so cold and I long for your embrace.
 I keep crying, "Baby, baby, please"

Verse B
