Verse 1

You've applied the pressure to have me crystallized
And you've got the faith that I could bring paradise
I'll forgive and forget, before I'm paralyzed
Do I have to keep up the pace to keep you satisfied?

Things have gotten closer to the sun
And I've done things in small doses
So don't think that I'm pushing you away
When you're the one that I've kept closest
[ahh ahh ahh] x4

You don't move slow, taking steps in my direction
The sound resounds, echo, does it lessen your affection?
No.

You say I'm foolish ,for pushing this aside
But burn down our home, I won't leave alive
Glac-i-ers have melted to the sea
I wish the tide would take me over
I've been down on my knees
And you just keep on getting closer
[ahh ahh ahh] x4

Glaciers have melted to the sea
And I've done things in small doses.
I've been down onto my knees
And you're the one that I've kept closest.

Go slow, go slow
Go slow, go slow
Go slow.
