D								
A							(G#)	
E								

## Verse 1 & 2

I fell into the ocean when you became my wife  
I risked it all against the sea to have a better life.  
Marie you are the wild blue sky, and men do foolish things  
You turn kings into beggars and beggars into kings.

## Chorus

Pretend that you owe me nothing, and all the world is green  
We can bring back the old days again, when all the world is green.

## Verse 3 & 4

The face forgives the mirror, the worm forgives the plow.  
The question begs the answer: can you forgive me somehow?  
Maybe when our story's over we'll go where it's always spring  
The band is playing our song again and all the world is green

## Chorus

Pretend that you owe me nothing, and all the world is green  
Can we bring back the old days again, when all the world is green.

## Verses 5 & 6

The moon is yellow silver on the things that summer brings  
It's a love you'd kill for, and all the world is green.  
He's balancing a diamond on a blade of grass  
The dew will settle on our graves when all the world is green.

## Chorus

Key Change +1 semitone (good luck)
