Verse 1

Well the moon is broken and the sky is cracked
 Come on up to the house
 The only things that you can see is all that you lack
 Come on up to the house
 All your cryin' don't do no good
 Come on up to the house
 Come down off the cross, we can use the wood
 Come on up to the house

Chorus

Come on up to the house
 Come on up to the house
 The world is not my home I'm just a passin' through
 Come on up to the house

Verse 2

There's no light in the tunnel, no irons in the fire
 Come on up to the house
 And your singin' lead soprano in a junkman's choir
 You gotta come on up to the house
 Does life seem nasty, brutish and short
 Come on up to the house
 The seas are stormy and you can't find no port
 Come on up to the house
 you can't let it go
 you gotta come on up to the house

Chorus

Verse 3

There's nothin' in the world that you can do
 you gotta come on up to the house
 and you been whipped by the forces that are inside you
 come on up to the house
 well you're high on top of your mountain of woe
 come on up to the house
 well you know you should surrender but you can't let it go
 you gotta come on up to the house
