Well you gassed her up, behind the wheel
With your arm around your sweet one, your Oldsmobile
Barrelin' down the boulevard,
lookin' for the heart of Saturday night.

Got paid on Friday, pockets are jinglin'
Then you see the lights; you get all tingly
'cause you're cruisin' with a six
You're lookin' for the heart of Saturday night.

Then you comb your hair, shave your face
tryin' to wipe out every trace
Of all the other days in the week, you know
that this'll be the Saturday you're reachin' your peak

Stoppin' on a red, goin' on a green
Tonight'll be like nothin' you've ever seen
And you're barrelin' down the boulevard
Lookin' for the heart of Saturday night.

Tell me is it the crack of the pool balls, neon buzzin'
Telephone's ringin' it's your second cousin.
Is it the barmaid that smiles, from the corner of her eye
Magic of the melancholy tear in her eye

Makes you kinda quiver, down in the cold
'cause you're dreamin' of those Saturdays that came before
& you're stumblin', stumblin' onto the heart of Saturday night.

You gassed her up and you're behind the wheel...

Is it the crack of the pool balls...

Makes it kinda special, down in the cold...

Stumblin', stumblin' onto the heart of Saturday night.
