Verse 1

Come on down, slow down
You worked so hard to be where you are

So you should slow, slow down
You know this city's fine,
Once you've found out how you can spread your time around.

Verse 2

So come on down, slow down
You've got so much time,
To find your mind 'cause you're the waitin' kind.

So come on down, slow down
You used up all your air,
Bein' everywhere tryin' to prove your worth to the town
So catch your breath and slow down.
